## CHURCH STELLENBOSCH 2022

A place where people go to be together, united in purpose, to seek refuge, guidance, peace. Sometimes to celebrate, mourn or simply because it's Sunday. We honour these places and all of the reasons people congregate.

The Lutheran church sketched on our Stellenbosch Chenin Blanc label was built in 1854. Today it's an art gallery, and an example of Stellenbosch's great character. We chose this beauty to represent our own beauty, a Stellenbosch Chenin Blanc, showcasing the beauty of Chenin Blanc from this extraordinary region. The fruit is sourced from the Bushvines in the Polkadraai Hills and Botterlary Hill wards in Stellenbosch.

## TASTING NOTES

Bright, pale yellow and crisp. The Church 2022 has enticing stone fruit aromas followed by a rich, smooth creaminess, fresh brioche aromas, ripe apples and grapefruit on the palate, and a long, dry finish. This wine has gentle acidity that confirms its perfect balance. Enjoy on summery days with fresh seafood, or with Roquefort cheese around an evening fire.
