AGING POTENTIAL	13 years

CORACLE 2021

A coracle or a 'cwrwgl' as it was originally named in Welsh, is a small, round boat. It was used more than 2000 years ago and is still used today as a fishing boat. We chose this name to represent our maiden journey. There are obstacles and risks, and yet some set sail anyway. Coracle 2021 is a tribute to all those who have taken a chance to do what they love.

The grapes are harvested from a spread of vineyards across Stellenbosch. The Cabernet Franc is from the Bottelary ward, Merlot from the east-facing slope of Simonsberg mountain, Petit Verdot is at 275m above sea-level in the Bottelary ward and Cabernet Sauvignon is planted on various sites within the Bottelary, Helderberg and Polkadraai ridges.

TASTING NOTES

Dark purple, with tinges of ruby red, this nicely balanced, medium bodied wine offers aromas of plum and blackberry, and a complex bouquet of all spice, cinnamon and sandalwood. Aging beautifully, Coracle 2021 is ready to drink, but give its best in a few years' time.
