MYST 2023

Like the mist that lingers over the Elgin mountains, our Pinot Noir is elegant and mysterious. Each sip is an opportunity to indulge.

Meticulously crafted with grapes from one of the highest altitude vineyards of the prestigious Elgin wine region - this light-bodied red is loved for its earthy fruit and spice flavours. Like the mist that lingers over the mountains, these flavours are accentuated by a long, smooth and soft tannin finish.

TASTING NOTES

Bright, clear, translucent purple, this wine delivers beautiful, bold fruit, nicely balanced with crisp acidity and gentle, smooth tannins. With lots of strawberries and raspberries, floral notes of rose petal, the Myst 2023 is a complex, full-bodied wine.
